

FRANKLIN TOWNSHIP MILITARY OR PENSION FILES

Thanks to Phyllis Liegel Dearborn the OFTHS has the military or pension files of thirty-four men from the Franklin Township that served in the Civil War and two men that served in the Mexican-American War.

Note: **PF** symbols that you can find these military or pension files at the OFTHS museum. The rest of the list is the names of men that have served in the Civil War or are thought to have served. There may have been up to fifty-six men from the Franklin Township (or a Plain, Wisconsin mailing address) that served in the Civil War.
